## **HHHS Yard Sale - \*What A Success!\***

The Yard Sale held at Old Ardena School on Saturday, October 18<sup>th</sup> was a great success. Thank you to Ron & Larry for organizing the fundraiser and to everyone who donated items, helped with setup and breakdown and much more!

The Yard Sale raised over \$600 plus \$80 in general donations.

We couldn't have done it without your help! Thank you again Ron and Larry for your leadership.

## **Old Ardena School Update**

November is here and excitement is in the air at Ardena School #2. We will be open on Sunday, November 30, 2025, from 1-4pm to greet visitors and prepare for the holidays. At closing time, 4pm, the 50/50 raffle drawing will take place. The funds raised from this drawing will help continue the mission of the Howell Heritage and Historical Society and the upkeep of our two buildings.

During the time Ardena School # 2 was open, children would have been looking forward Christmas, just as they still do in 2025. One of the traditions the children eagerly participated in would have been caroling. They would often prepare a holiday program for their families. They also decorated evergreen trees with homemade ornaments. Chains of cranberries and popcorn, pine cones, nuts, edible dried fruits, and candy canes were common decorations for their trees. And just like today, in December they would have a break from school, for Christmas, and would return after New Year's Day.

Just as students in the 1890s would be preparing for Christmas, so is the Ardena Schoolhouse committee. We are eagerly awaiting a visit on Saturday, December 6, 2025, from Mr. and Mrs. Claus. They are taking time out of their busy schedule to once again visit us, from noon to 3pm. Like the 1800s, our holiday event is evolving and new this year will be live music. Several musicians have volunteered to provide traditional Christmas music for part of the day. Take some time out of your hectic life, come and celebrate with us the JOY of the season.

For general questions or scheduling of a private tour, the School Committee members are:

Anne Hartmann, Debbie Frost, Margaret Winkelman and Vicky Arose

## MacKenzie House Museum & Library Update

Fall brought a lot of fun to the MacKenzie Museum this year! The Haunting of Capt. and Mrs. Prickitt was well-received! Once again, we can thank Donna for her delightful ghost stories and spooky music on our well-preserved pump organ! Please check out some of the Halloween pictures in this newsletter.

But, Fall isn't over! The November Open House on November 15<sup>th</sup> will provide the olden days – featuring the miller's family Thanksgiving preparations. Thanksgiving will be cozy and warm this year, due to the new mini-split heating system. We hope to see you there!

Please also save the date of December 20<sup>th</sup> when the miller's family will celebrate the Christmas season. There will be gold bells and a live pump organ "Sing-Along" of Christmas Carols in the cozy warmth of the parlor. All voices are invited!

For general questions or scheduling of a private tour, the MacKenzie committee members are:

Larry Lastra, Leigh Shaffer and Ron Alessi

**Leigh Shaffer**, HHHS Board Vice-President & MacKenzie Committee Member

## **SPECIAL EDITION: HOLIDAY MENU**

**SUBMITTED BY: ANN MALSURY, HHHS MEMBER**

As we approach the holidays, our thoughts turn to the delicious meals we look forward to sharing with family and friends. Traditions, favorite foods, and decorations set the tone for memorable holidays. A look back in time will show us how the earlier settlers prepared their meals.

In the earliest homes, there was one room downstairs which served as kitchen, dining room, sitting room and sometimes bedroom. A door facing south led to a porch where household activities such as washing clothes, food preparation, or candle making took place. There was also a bedroom upstairs.

At one end of the kitchen was the fireplace where an iron pot hung over the fire. Whatever food was available was boiled or stewed. Some fireplaces had an oven built beside it for baking bread and biscuits.

A holiday menu was very different from ours today. The man of the house went hunting and he might come home with a wild turkey that would have to be prepared to be boiled. Venison may also be on the menu.

Corn was a staple and had to be shelled and ground into meal to make cornbread. Pumpkins are a fruit native to America. They were diced and stewed and eaten with butter and spices added. Apples were harvested in abundance to eat fresh, stewed, or in pies.

Drinks included apple "syder", tea sweetened with brown sugar, and milk either from a goat or a cow. And if you had milk, then you could make butter and cheese.

Dr. Israel Acrelius in his "History of New Sweden" published in 1759 has left us with this recipe for apple pie.

"Apple pie is used through the whole year and when fresh apples are no longer to be had, dried ones are used. It is the evening meal of children. House-pie, in the country places, is made of apples neither peeled nor freed from their cores, and its crust is not broken if a wagon wheel goes over it."

Personally, I will be baking a fresh apple pie with a soft crust.  
Happy Thanksgiving!

# HHHS MEETING MINUTES – OCTOBER 24, 2025

## SUBMITTED BY: HHHS SECRETARY, DEBORAH FROST

Meeting was called to order at 7:00 pm by Jude Meehan  
Flag salute and moment of silence by Deb

**Program Presented:** Helter Skelter, Sites, Locations, and Graves of Famous Crimes Throughout History, presented by T.J. Fallon. T.J. also welcomed us to schedule another program and sounded most interested in his "Women of the American Revolution" research.

Refreshments were provided by Lynn, who also introduced us to her hand painted cat.

### **Business Meeting:**

**Prior Meeting Minutes & Treasurer's Report:** Motion by Ron, 2<sup>nd</sup> Catherine to approve August Meeting and Treasurer's Reports

### **Committee Reports:**

**Nominating Committee:** Proposed slate of nominees presented: President, Jude, Vice President, Margaret, Treasurer, Leigh, Secretary, Debbie, Trustees, Catherine, Vicky, and Donna. Motion to accept, Vicky, 2<sup>nd</sup>, Larry.

**Finance:** No Updates

**Fundraising: Yard Sale:** According to Jude, we "turned straw into Gold." Ron reported sales of \$619 plus donations. Larry read a thank you note:

Ron and I would like to thank Jude, Margaret, Eric, Bill Ditto, Vickie, Debbie, Frank, Lily & Kyle for helping us to make our yard sale a success.

Also, I would like to make a special note of appreciation to our youngest members Lily and Kyle who not only helped us set up in the morning and pack up at night. But they also opened MacKenzie & gave tours to our visitors while Donna played spooky music on our pump organ. So please put your hands together for these two young people who we want to honor & pay special thanks for all they do for our society!

Jude is a yard sale guy and wondered what was hot or not in reference to the items we had at the sale. Lamps: not great, and they were taken to Habitat. At a price of \$1, many collector's plates did sell. Helmets sold, but baby items didn't sell. Jewelry sold well. Ron wondered if a mirror with an eagle could be used at MacKenzie.

**50/50 fund raiser:** Margaret said to contact her if we didn't receive tickets and encouraged us to talk to friends and neighbors. This is the largest fundraiser we have.

# HHHS MEETING MINUTES – OCTOBER 24, 2025

## SUBMITTED BY: HHHS SECRETARY, DEBORAH FROST

**MacKenzie House:** Donna spoke about the decorations at MacKenzie, especially the skeleton with the big eyeballs looking at her! Jude said the permit application was received from American Water. The basement will be cleaned up.

**Old Ardena School:** Margaret reported the extra \$80 in donations received during the yard sale. On the day we had the Brownies visit the school, we also received a \$50 donation. There were 8 adults and 13 kids visiting. Vicky reported that we rang the bells. The kids were bouncing around the schoolhouse when they arrived. She had them enter the building calmly. It was a good day!

Jude is impressed by both groups involved with the buildings.

**Other:** Donna has a friend who is willing to donate a piano to the schoolhouse but was not sure if there would be enough room for it. Vicky confirmed that there would not be enough room. Donna said she would play the keyboard at the school on December 6th. Deb said she would bring in a portable keyboard and her pastor's wife would also play, and her daughter would play violin. Donna complimented the schoolhouse decor.

Lynn acknowledged a list of items that did not come with elected office responsibilities, such as the Newsletter, work on grants, publicity, fundraising, and programs. Jude mentioned the work that Billy had been doing at Mackenzie for years.

Next year at the schoolhouse: Vicky mentioned that it will be the 50th year anniversary of the on-site opening of the school and wants to do something to highlight that.

Jude mentioned the time he saw the Freedom Train in Neptune, and he will never forget it. People will be touched by what we do.

**Note:** Lynn mentioned that T.J. has never charged us for his talks. Catherine thought we should ask him what he would like from us to support him in other ways.

Lynn texted a message she received from T.J. which included, in part, these words from him:

The only thing that sometimes helps is ask members to go onto my Facebook Page and leave a comment underneath the Post I made about presenting for you guys.

Those kinds of comments and positive reviews help spread the word to other groups.

All I ever ask is that you guys give me a good review if any other groups ever ask you guys for it.  
Motion to adjourn by Vicky, 2nd Larry
